

PRESS RELEASE HEIMTEXTIL - JAN. 2026

For immediate release

At Heimtextil 2026 Libeco welcomes you to experience the authenticity and pureness of linen and hemp. During this Heimtextil Libeco puts the spotlights on below selection of stock supported qualities:

“V024 piece dyed stonewash”: a heavy and dense 100% European Hemp quality for upholstery. Its texture and stonewashed finish emerge into the authentic Libeco look usable in a wide variety of interiors.

“L653 sanfor airo” - One of Libeco’s most successful timeless basics in 100% linen suitable for upholstery and decoration. This quality has proven its diversity, durability... over many years and will definitely continue to be a must-have. The wide color range has recently been updated and extended inspired by today’s fashion and interior trends.

“Q443 stonewash” – a stonewashed linen-wool blend for decorative use. Its elegant drape, pleasant handfeel, and distinctive appearance are highly appreciated. Motivated by the lasting success and timeless appeal of this quality, Libeco expanded its colour palette.

“Raw Minimalism” – (see picture at the back side)

A harmonious range of minimalist checks, stripes and textures. Natural hues with subtle black accents softened through a stonewash finish highlight the pure and raw look of this collection.

Libeco’s extensive stock collection contains besides these eyecatchers classic and timeless looks. Personalized colors, structures and finishes can be created as custom development. Libeco introduces at Heimtextil ’26 as well some prototypes of textured plains.

Libeco is the largest flax weaving mill in Belgium and is ranked among the top linen manufacturers in Europe. The family business is located in Meulebeke and was established in 1858. Under the Libeco Fabrics brand name, it produces fabrics for industrial applications such as upholstery, curtains and apparel as well as technical textiles. In addition to local and sustainable production, superior quality is at the core of Libeco’s mission. The title of Purveyor to the Royal Household was attained in 2006 and in 2014 the weaving mill was awarded the carbon neutral label.
