

PRESS RELEASE HEIMTEXTIL - JANUARY 2024

For immediate release

TIMELESS BASICS AT HEIMTEXTIL 2024

During the past years Libeco, www.libeco.com, has intensively diversified its collection of fabrics for sheers, decoration and upholstery. While staying loyal to linen, new launches as linen-wool blends, hemp, use of phantasy yarns, use of acrylic yarns to reach higher performances, new finishing processes,... are being highly appreciated.

At Heimtextil '24, Libeco is focusing on its core business and brings new timeless basics in multiple colors for upholstery & decoration.

1. "A805 Stonewash" is a plain linen-cotton blend.

Its dense weaving structure and stonewashed finishing bring a contemporary minimalistic look.

2. "L980 vintage" is a pure linen quality.

A unique dyeing and finishing process enrich the look of the fabric and give it a subtle irregular vintage look.

Libeco brings natural and neutral colors, enriched with colors inspired by today's trends.

Libeco's sales team will be happy introducing you to its collection at their **stand 4.2 D45**.

Libeco is the largest flax weaving mill in Belgium and is ranked among the top linen manufacturers in Europe. The family business is located in Meulebeke and was established in 1858. Under the Libeco Fabrics brand name, it produces fabrics for industrial applications such as upholstery, curtains, and apparel as well as technical textiles. In addition to local and sustainable production, superior quality is at the core of Libeco's mission. The title of Purveyor to the Royal Household was attained in 2006 and in 2014 the weaving mill was awarded the carbon neutral label.
