SPRING/SUMMER COLLECTION 2021

PRESS RELEASE JANUARY 2021 – For immediate release

Note from our designer

OUT OF THE DARKNESS & INTO THE LIGHT

As I sit to write this, I cannot decide if I think time is passing us by, or if we are kind of on a repeat loop. What I can say is that I, like everyone else, am ready to turn the page on 2020. I am ready for brighter days. When I designed this collection, nobody knew about Corona, it was not even a blip on our radar. So, I had summer, beaches, light and water on my mind. All those months ago, my plan was to design something that would tie together summers past, with the one to come. Now, I hope that by the time summer rolls around, we will all be able to walk out of this darkness and into the light.
