

PRESS RELEASE HEIMTEXTIL - JAN. 2025

For immediate release

At Heimtextil 2025 Libeco welcomes you to experience the authenticity, pureness and minimalistic characteristics of linen and hemp. During this Heimtextil Libeco puts the spotlights on below selection of stock supported qualities:

“Raw Essentials” - Linen in the purest sense. A set of pure linen and pure hemp qualities in their natural color shade. A traditional stonewash finishing elevates the loomstates to a unique rough, minimalistic and pure look.

“White Elegance” - Linen in the most elegant way. A set of pure linen and pure hemp fabrics offering an elegant, slightly fragile look. These qualities come in the bleached linen colorshade. This unique white color shade covers all types of interior styles with a cozy elegance.

L653 sanfor airo - One of Libeco’s most successful timeless basics in 100% linen suitable for upholstery and decoration. This quality has proven its diversity, durability,... over many years and will definitely continue to be a must-have. The wide color range has been updated and extended inspired by today’s fashion and interior trends.

Q581 changeant Laundered - Last but not least ! An eye-catching bulky textured linen-wool blend with soft hand feel. With this linen-wool blend Libeco goes with the revival of the 70’s trends.

The extensive stock collection contains besides these eye-catchers classic and timeless looks.

Personalized colors, structures and finishes can be created as custom development.

Besides this extensive stock collection, Libeco introduces at Heimtextil '25 as well some prototypes of textured plains and stripes matching with the stock supported plains.

SEE THE NEXT PAGE FOR THESE LIBECO’S NOVELTIES MIXED AND MATCHED WITH OTHER RECENT QUALITIES.

LIBECO’S SALES TEAM WILL BE HAPPY INTRODUCING YOU TO ITS COLLECTION AT THEIR STAND 4.2D45.

Libeco is the largest flax weaving mill in Belgium and is ranked among the top linen manufacturers in Europe. The family business is located in Meulebeke and was established in 1858. Under the Libeco Fabrics brand name, it produces fabrics for industrial applications such as upholstery, curtains and apparel as well as technical textiles. In addition to local and sustainable production, superior quality is at the core of Libeco’s mission. The title of Purveyor to the Royal Household was attained in 2006 and in 2014 the weaving mill was awarded the carbon neutral label.
