SPRING/SUMMER COLLECTION 2024

PRESS RELEASE JANUARY 2024 - For immediate release

Note from our designer

TRUE ALCHEMY

This collection was inspired by the Greek islands...
The blue/green Aegaen sea and the bronze-colored hillsides burned
by the Greek sun were vivid in my mind when I created it.
But it's more than just the Greek landscape that inspires me...
It's also the simplicity of Greek island life that I find utterly captivating.
Making so much out of so little is true alchemy.
Such incredible food from just a few humble ingredients.
Such beautiful interiors with just a few natural materials.
What more does one need in this life?

Until winter...

It's sewn together down the middle, the sides are not hemmed and it's finished with fringe top and bottom. The pillow has the same stripe top and bottom and is finished with a zipper closure.

Colour: River

TABLE LINEN

THE BELGIAN TABLE THROW

This new table throw was named after a beautiful mountain town on the Greek island of Kea. The body of the table throw is a sturdy plain weave construction, so it can be machine washed, no problem! It is a throw and not a table cloth, so it doesn't cover the entire table. The point is that you see your beautiful table and the beautiful throw! There are two different stripes sitting on either end of the ecru colored ground, it's finished with fringe at both ends.

Available in table throw (140x180cm, 140x230cm)

Colour: loulida

TABLE LINEN

PACIFIC

We have new colors in the much loved Pacific placemat! We photographed the Pacific on the same table as the loulida and the two together were fantastic! If you have a really large table, dare to put them together and mix it up! The heavy-duty pure linen fabric in rich linen colors, will get more patina and worn in looking with washing and age. They have a fringe finish, because fringe is more fun!

Available in place mat (35x50cm)

Colours: Cafénoir, Curry, Flax, Gray, Militaire, Natural (NEW), Paprika, Petrol and River (NEW)

*100% LI – stonewash

KEA

Named after the aforementioned Greek island, this napkin has two different stripes sitting on the river colored ground. It looks beautiful with the Pacific placemat, the loulida table throw and so many more existing collections! .

Available in napkin (42x42cm)

Colour: Stripe

*100% LI – washed finish
