For immediate release

LIBECO NOVELTIES AT HEIMTEXTIL 2022

The Belgian linen mill Libeco – one of Europe's linen specialists, is back with new trendsetting developments and a refreshing expansion of their bestselling collections. Experience Libeco's craftsmanship at their booth 4.1 D51.

Eyecatcher is the Q550 changeant laundered which is ideal for upholstery. This yarn dyed and stock supported quality with clever multicolored tweed uplifts any interior with its handcrafted look.

Next is the 100% linen P390 laundered in double width. This decorative fabric is stock supported and available in 41 colors.

Libeco updated the color range of their popular 6019 changeant. This 100% linen délavé yarn dyed stock supported quality comes in both a chintz airo finish with glazed look, as well as a mill wash finish.

The yarn dyed L658 changeant with stonewash finish is perfect for sheers and suitable for any interior. This is a double width and stock supported quality.

The final introduction to stand out is the 100% linen L941 upholstery fabric with stonewash finish. This solid basket weave has a backing for easy application.

Libeco is the largest flax weaving mill in Belgium and is ranked among the top linen manufacturers in Europe. The family business is located in Meulebeke and was established in 1858. Under the Libeco Fabrics brand name, it produces fabrics for industrial applications such as upholstery, curtains, and apparel as well as technical textiles. In addition to local and sustainable production, superior quality is at the core of Libeco's mission. The title of Purveyor to the Royal Household was attained in 2006 and in 2014 the weaving mill was awarded the carbon neutral label.
